The 1952

SCOTTONIAN

Volume Thirty-Nine

Jesup W. Scott High School

Toledo, Ohio

Foreword

Almost from the beginning of time the dance has been a major element in the lives of the different peoples. From the religious rites of the early tribes and the beating of the tom-tom of the Indians to the dignity of the minuet and waltz of the fifteenth and sixteenth centuries and the jitterbug of today, the dance has expressed the emotions and reflected the spirit of the people.

Certain forms of dancing have undoubtedly already reached and passed their height. Many people feel that this is especially true of the ballet, for when they think of Anna Pavlova, they believe that she was the greatest ballerina of all time, and they consider that period of the ballet as its peak. Today, however, our dances are expressive of a new and vigorous generation. The Charleston, the jitterbug, the frat dance, and the South American dances—these all show quite clearly the restlessness of the age in which we're living and the desire for freedom of expression.

Throughout the school year there are dances given by each class: the Rainbow Ramble, the large social affair of the freshmen; the Sophomore Prom; the J-Hop, the biggest dance in the life of any junior; and the Senior Prom, a wonderful climax to four wonderful years. In addition to these dances there are the Sweetheart Swirl and the Shamrock Shuffle, which are sponsored by clubs. Dancing is a form of enjoyment and relaxation, and in a world tense with the threat of war, to be able to relax is important. Because dancing provides pleasure to many of our young people, and because the staff recognizes it as a part of the lives of the students, the theme chosen for the 1952 Scottonian is a dance theme.

"On with the dance," say Frances Ploeger and Barbara Rogers.

Myron Q. Gerber

Dedication

This year our book is dedicated to a man who in the past six years has done much to maintain the high standard of the Scott music department. He has charge of the band, the orchestra, the Pied Pipers, and the Symphonic Choir. One might well think that it would take two men to carry the responsibility of having excellent musical groups each year, but Mr. Gerber is so capable that he doesn't mind the planning and the hours of work and practice that are necessary for a good performance.

In college Mr. Gerber was a vocal major, but along with voice training he also had to learn how to play many instruments. He is often found in the music room giving a trumpet or clarinet lesson to a member of the band. His love of music is intense. This love of music, however, does not mean that it consumes an excess of his time, for he is a patient and loving father, spending many hours of play with his children.

Not only is Mr. Gerber's vocation creative, but so is his hobby. He is a carpenter. He spends his summers building. In fact, he has built a garage!

One of the tests of a good teacher is the reaction of his students. Here Mr. Gerber scores one hundred per cent. His interest in each student and his desire to be completely fair are two of his finest qualities, and his students truly appreciate them. That Mr. Gerber will give anyone a chance to try out for a solo is a well known fact. That he never makes a final decision until all interested have an opportunity is also well known. His is really a democratic spirit. Could there be any better reason for dedicating this Scottonian to him?

In Memoriam

Miss Henrietta Staadecker

The summer of 1951 ended the teaching career of a woman who had taught at Scott for thirty-eight years. Although Miss Staadecker is no longer with us, her memory will forever be with those who had contact with her. The memories of how sweet and friendly she was to new students in her classes, of how her joking manner would put a person at ease immediately, of how her love of life was like a magnet which drew students to her, of how understanding she was where home assignments were concerned, and of how careful she was not to overburden the pupils with too much in one evening—these memories cannot be forgotten.

Perhaps the grandest thing about her was her love of life. There wasn't a day that she didn't have a cheery word for everyone. An eternal optimist, she always looked on the bright side of life. No matter how bad she may have felt, her students never suspected that anything was wrong, for she was constantly laughing and joking with them. Her philosophy was to enjoy life to its fullest and now she has gone to begin enjoying life anew.

E. L. Bowsher

Superintendent of Schools

For sixteen years Mr. E. L. Bowsher has been the guiding force behind the system of education in the Toledo public schools. His is the responsibility for the program of instruction, for the selection of teachers, for the building program, and for the maintenance of all buildings in use.

Mr. Bowsher plans to improve little by little all the schools so that they will have the most modern equipment and the best methods of training possible. At Scott the auditorium and halls have already been decorated. Perhaps his most outstanding contribution to education has been his activity in securing the funds necessary for proper maintenance and expansion of the school system. For the November 1951 election he organized a citizens' committee which campaigned diligently to secure the passing of the school levies. These levies made it possible to give the employees of the school board salaries equal to those received in other cities the same size as Toledo. Thus Mr. Bowsher is able to hire enough well trained teachers to adequately staff the schools.

We, the students, are grateful to Mr. Bowsher for the efforts he is making to keep the Toledo school system abreast of the times.

Richard J. Langstaff

Principal of Scott

For the past eight years Mr. Richard J. Langstaff has been the principal of Scott High School. During this time it has been his duty to see that the school is run efficiently, and under his guidance such has been the case. Being the principal of a large high school requires great patience and perseverance. With both these virtues Mr. Langstaff is equally endowed. Unlimited is his patience in working out the problems of individual students, and he perseveres day and night to help them in any way possible. Because of his sincere interest in the students he spends much time helping many of them make out their schedules. It is this interest which spurs the students on to greater achievement, and this, in turn, accounts for Scott's high scholastic standing.

Mrs. Louise Meffley

Director of Activities

As director of student activities Mrs. Meffley is the person who is behind the smooth planning and fine organization of the various programs presented throughout the year. Her main concern is the student council, and her work as advisor of it has been outstanding. As their advisor she has charge of all the class elections, all organizations connected with the student council, and the setting up of the club schedules for the entire year. All social events of the school must be cleared by her so that there will be no conflicts.

For your aid to the clubs and for your cooperation in all the activities undertaken by them and by the student council, the Scottonian salutes you, Mrs. Meffley.

Office Staff

Mrs. Margaret Biggs

Mrs. Marian Masell

Mrs. Ursula Stine

Mrs. Wilma Doebler

Many students seem to think that when June rolls around all work pertaining to school ceases. However, the girls in the office know differently; for they are kept busy throughout the year.

Mrs. Margaret Biggs, the senior office clerk, has general charge of the office and of the cumulative tests. Mrs. Marian Masell is secretary to Mr. Langstaff and takes care of all correspondence. Mrs. Ursula Stine is the school treasurer, and Mrs. Wilma Doebler, the newest member of the office staff, is the book clerk.

Sending transcripts of credits to colleges, keeping attendance records, typing out schedules and grade cards, and compiling and filing personality records—all these are done by the staff without whom Scott just couldn't operate.

Vernon R. Alberstett

Dean of Boys

Mr. Alberstett, Scott dean of boys, has a reputation for being friendly, for taking an interest in each boy, and above all for being just and fair in all his dealings with students.

His interest in the students and their activities does not cease at the end of the school day. Rarely does he miss a football or basketball game, and seldom is he absent from the many social functions held during the year.

Scott boys are well aware of his fairness and justice. The greatest tribute to him is the fact that he has the respect of every boy here

Dean of Girls

At Scott there is one woman familiar to all girls. Each year she is in the auditorium to greet the freshmen as they get their first look at high school life. It is she who makes out the schedules for the girls throughout their four years at Scott. It is she who takes an interest in each girl individually, calling the home when there is a prolonged absence, and it is she who is ready to help or advise whenever anyone needs her. Her patience and understanding have endeared her to all who have had cause to go to her, and her friendly manner has inspired their confidence. As the girls get to know her better, they realize why Scott has such a tradition of friendliness, and she becomes an example for them to follow throughout life. This woman is our dean, Miss Anne Smead

The Parent-Teachers Association of Scott is an active organization. Throughout the year this group attempts to work for the best interests of the school. For the year 1951-1952 the officers are Dr. Stanley Michota, president; Mrs. William Backus and Mrs. Louise Meffley, vice presidents; Mr. Bernard Cousino, treasurer; and Mrs. Robert Powell, secretary.

The first major project of the PTA is familiarizing the parents of freshmen with the school curriculum. First, the home room teachers and the home room mothers have an opportunity to become better acquainted at a tea; then there is a reception for all parents of freshmen, and finally there is a meeting at which the results of the freshman achievement tests are given.

Several times during the school year there is a letter which comes to all our houses—the

Newsletter. The committee in charge of preparing and sending out the Newsletter has a big responsibility, and it deserves much credit for a job well done.

Another project of the PTA is sponsoring the Spring Music Festival. The festival is given each year, and the PTA, especially the home room mothers, do an excellent job in getting patrons, for the patron list has grown larger each year.

The last event which the PTA sponsors is the reception for seniors held after the baccalaureate service. We thank the PTA for this, and we appreciate the other ways in which they promote the activities at Scott.

Testing

Grading papers and recording test results engaged in by Miss Vera Baymiller, testing officer, and her assistants are only a small part of the function of the testing department at Scott. The new testing program administered by this department serves as the basis for the counseling and guidance of students as to their strengths and weaknesses in fundamental skills, as to which subject to take, in what classes they are enrolled, and in general aims to show each student how he can derive the maximum benefit from his high school education.

The philosophy of the testing department is: "A better job of counseling students can be done if the deans, the teachers, the parents, and the students all understand the same educational picture of the student. Our tests provide this picture."

College Advisory

Miss Eleanor Longbrake

To give students of college ability information concerning admission requirements and scholarship opportunities is the purpose of a college advisor. It is Miss Longbrake's duty to see that this information is always up to date and always available to students. She does this by notices on the bulletin board, by interviews with college representatives, and by personal interviews. Miss Longbrake also has charge of the College Board examinations. These are tests which many schools require of entering freshmen. Along with her work as advisor, Miss Longbrake has written a college advisory plan as an aid to students in selecting the college which best suits their needs. This plan is to be presented to students in the junior English classes. Her desire that the students realize the importance of a college education makes Miss Longbrake very suitable for the job of advisor.

Senior Class

We're seniors! Is it possible that four years could pass so quickly? Why, it seems only yesterday that we were getting our first glimpse of high school life

A class destined to do great things at Scott, as freshmen we elected a council composed of Annette Cossitt, Phillip Goldstein, Ruth Harrell, and Karen Koster, with Sam Taylor as chairman and Joan Siegel as secretary.

Returning next fall as sophomores, we knew whom we wanted to lead us and we chose accordingly. Virginia Shields was president; Ruth Harrell, vice president; Joan Siegel, secretary; and Gussie Colbert, treasurer.

That sophomore year there came to Scott a girl named Gloria Gilbert, who was so well liked by her fellow students that she was their '51 choice as president of the junior class. The other officers chosen were Carolyn Newman, vice president; Virginia Nehrig, secretary; Gussie Colbert, treasurer. It was a big year for the class of '52; the J-Hop, held March 3, was a great success; and soon after the dance, our rings arrived.

Now our senior year is history, and as we look back over the happy events this past year—the play, the baccalaureate service, the senior banquet, and the senior prom—we feel a little sad at having to leave Scott and these happy memories. Under the leadership of Gloria Gilbert, our president; Jerry Bame, vice president; and Judy Bade, secretary-treasurer; the class of '52 has attained a record of which it is proud.

Attendants Gussie Colbert and Judy Bade pose with football queen Gloria Gilbert before the annual assembly in the State Theater.

Juniors Grace Herman, Carolyn Kerr and Mary Naus order their class rings from Lucille Hill, Pat Rynder, and Irma Glauberman as Mr. Cook looks on.

Phyllis Overmyer, Jim Nathanson, Ida Mahfuz, LuAnne Behrens.

Junior Class

The juniors got off to a fine start this year by electing as officers Jim Nathanson, president; Ida Mahfuz, vice president; LuAnne Behrens, secretary; and Phyllis Overmyer, treasurer.

The ring committee, with Jim Nathanson acting as chairman, saw to it that the juniors had an opportunity early in the year to order their rings. It was a happy day, indeed, when those rings finally arrived in March.

A competent prom committee, headed by Spencer Greenhill, planned a J-Hop that was one of the loveliest ever given. March 29, 1952, will long be remembered by those attending the gala event.

The juniors have a big responsibility ahead of them, for next year they will be the leaders of the school. We wish them every success, and we know that they will uphold the standards of Scott High.

Sophomore Class

The first matter of business this year for the returning sophomores was to elect officers. The results of the election put Arkel Partoyan in the presidency, with Ronald Swartz, vice president; Jane Halderman, secretary; and Beverly Richardson, treasurer.

In early January the officers held a meeting at which they decided to give a spring dance. With the aid of their advisor, Mrs. Meffley, the dance was one of the nicest social events of the year.

Ash Hawk became the drum major of the band and strutted in a new uniform Mr. Turner kept an eye on his home room students and their home work The chorus held a candy sale to earn money for new robes Larry McNeil and Elaine Keck bought their blue books early from Nancy Moore and Shirley Fisher . . . Home room 203 studied before going to classes.

Inter-Club Council

OFFICERS

President..... Annette Cossitt

The Interclub Council is an organization composed of the presidents of the clubs at Scott. It was organized to promote projects which are too big for a single club and to help the clubs in any way possible.

At Christmas time the council took charge of decorating the halls and doors of rooms that did not have decorations.

The Interclub Council held its annual tea in February, which was attended by all officers and advisors of clubs. At the tea plans were made for the annual banquet which was held in March. At the banquet, a plaque was awarded to the club with the best table decorations, the best entertainment, and the largest percentage of club members present.

Student Council

When Student Council officers were elected last spring, the student body felt that these four students would represent them best: John Powell, president; Jim Nathanson, vice president; Gussie Colbert, secretary; and Margot Herz, historian.

The president chooses the commissioners, and it is through the seven commissions—assembly, athletic, finance, organizations, publicity, social, and welfare—that the council works to carry out the year's activities successfully.

The pep assemblies, the March of Dimes drive, the planning of Scottza Playing, the Student Council and Inter-Club Council banquets, and the selling of savings stamps and football programs—all these projects come under the jurisdiction of one of the commissions, and their success is due to the hard work of the commission members.

It is the job of every home room representative to make sure that the work of the commissions is brought to the attention of the students of his home room. A representative must know the dates of each activity, and he must then encourage the students in his home room to support the project.

Our heartiest congratulations to the officers, commission members, commissioners, representatives, and Mrs. Meffley, for under their leadership we have completed another successful year.

Scottonian

There is more to compiling a Scottonian than meets the eye, but again, in this year of 1951 and 1952, the staff has managed to complete all the work by the deadline.

The return of several experienced workers and the addition of many capable new members made the 1952 Scottonian staff a smoothly functioning body.

The staff started promptly in September by reaching a decision on the theme and deciding on the cover design. Underclass pictures were

soon taken and appointments were scheduled for senior pictures. A subscription drive started soon, with the student body co-operating. The business manager balanced the books and kept us informed as to the state of our finances. Our typists worked hard, typing the multitudinous copy required in publishing a yearbook.

Our advisor, Miss Geraldine Leitner, guided us through the year, and we are deeply indebted to her for her full co-operation and assistance.

The loss of sixteen seniors was a severe blow to the championship hopes of Scott. Last year Scott breezed to the championship of the city, and many boosters were looking for a repeat performance.

However, though a scrappy and eager crew, the Scott forces just didn't have that championship trophy at the end of the season. They ended in fourth place in the city league and an overall record of three wins, five losses, and a tie.

Scott 12—Ann Arbor 7

The team from up north came to Toledo looking for its twenty-sixth game without defeat. But the Scott stalwarts were ready and gave Ann Arbor the broken link in their undefeated chain.

The first Scott touchdown came on a beautiful pass play, Huddleston to Jackson. The other score was a ramble by Mel Mitchell for five yards. The vaunted "Michigander" attack was stopped time and again by Zimbler, Moorehead, Lee, and Hagedorn, who were the defensive stand-outs of the game.

Scott 0—DeVilbiss 0

The large crowd who saw this game saw some of the prettiest line play they were to view during the season. DeVilbiss, featuring Kwiatkowski and Co., was big and fast—a

tough combination on anybody's field. Scott, with a few good breaks, could have won, but a pass interception in the Tiger end zone and a fumble on the enemy's two-yard line killed our only chances for a win.

Scott 7—Sandusky 25

Sandusky came to the home field rated highly, but the way they rolled this night, they couldn't have been rated highly enough. They were loaded with talent, including a flashy halfback and a bruising fullback that did all sorts of damage to a Scott team playing without the services of their fine fullback, Mitchell. Huddleston did everything possible to equal the point-making machine from down south, but our only score was a lofty pass into the arms of Roscoe Traynum by "Hud."

Coaches

VARSITY COACHES: Ari Brighton, Head Coach Ralph Merickel, Andy Kandik

Scott 0—Central 14

The Irish were supposed to roll over our Bulldogs in this one, but our line opened big holes for our backs and closed Central's. The game started according to form when Central, led by Keller, Mouch, and Csizek, scored, with Csizek going over on a seventeen-yard gallop. From then on it was a tight game with Scott being stopped only because of a fumble again on the opponent's two. Steinmeyer, Vaughn, and Davis did bang-up work in the line. Moorehead played his usual stellar game, doing everything possible to salvage a Bulldog victory. With fifteen seconds left, the Irish hit pay-dirt again on an eight-yard pass play.

Scott 39—Whitmer 7

You can't keep a good team down is the story of this one. Coach Merickel made several shake-ups in the Scott line-up, and, as the score indicates, they paid off. Huddleston scored three times, Mitchell got one, Traynum tallied, and Mouch picked up a six-pointer. Hufeld and Kurek collaborated on the extra-point chores. Hufeld kicked one and then gave the crowd a thrill by picking up a fumbled pass from center and snake-hipping forty yards for his second extra point. The blocking of Davis and Goldstein was significant during the entire contest.

FIRST ROW: John Johnson, Curtis Norris, David Lee, Mel Mitchell, Dean Sonner, Norm Hagedorn, Phil Goldstein, Bill Steinmeyer.

Scott 26—Woodward 8

Scott managed to make it two in a row and their first city victory, as they toppled the Woodward eleven at Scott stadium. In the first quarter Don Huddleston scored Scott's touchdown, following Woodward's only score of the game. Woodward again took the lead as they scored a safety against the Bulldogs, but they were not on top very long. In the second quarter Huddleston marked up another score for the Bulldogs, number 2 for "Hud". Sophomore halfback Roscoe Traynum and fullback Mel Mitchell also aided Scott's scoring punch, as each went over once for a touchdown. The Bulldogs were down in Woodward territory aiming for their fifth touchdown when the gun went off, giving Scott its only city win of the campaign.

Scott 0—Libbey 42

After holding a 15-0 lead at halftime, the Libbey Cowboys walloped Scott 42-0.

In the first half, Moorehead and Co. let the Cowboys score twice and chalk up another two points on a safety. It was in the third quarter that Libbey's speedy backfield broke through practically every play, and the South End team took a considerable lead.

In the fourth quarter it looked as though Scott might roll for a touchdown, but, as once before in the game, such hopes were erased by a fumble.

Scott 0—Fremont Ross 19

Scott fans were more than skeptical about our team's showing against the Fremont boys. Well, they had to be, considering that this team had beaten Sandusky, which had walloped Scott in a previous contest. The score, however, is no indication of the caliber of play which was displayed by the Bulldogs during the game. Our line held beautifully, and we played beautiful ball throughout the game. However, we made two mistakes, and Fremont's two great halfbacks, Lewis and Surratt, scored one touchdown. Lewis countered on a twenty-seven yard end run, and Surratt went fifty-seven yards for his score. Scott threatened in the closing seconds when a Perez pass to Goldstein put the pigskin on Fremont's two yard line, but the clock ran out. Lewis scored again in the fourth quarter on a sixty-five yard gallop with an intercepted pass. Hagedorn, Lee, Moorehead, Steinmeyer, Morris, and Foulkes played an outstanding game all the way for the Bulldogs.

Scott 6—Waite 41

The Scott Bulldogs invaded Waite Stadium, for the annual Thanksgiving day game with a comparatively small crowd of 6,000 on hand to witness the contest.

The Indians were out to avenge the Bulldogs for the 33-0 thrashing last year, and they succeeded in doing so.

Waite wasted no time, as they intercepted a pass thrown by Scott, on the first play of the game. The East Siders went on to score 3 touchdowns in the initial quarter. It was in the closing minutes of the second quarter that a 57-yard pass play thrown by Don Huddleston and snagged by Mel Mitchell scored Scott's first and last touchdown of the game. The extra point was no good, and the teams left for the intermission with Waite on top 21-6.

Waite scored one touchdown in the third quarter and two in the fourth quarter, while the Scotters were held scoreless.

One of the main factors of Waite's victory was the rushing yardage. Waite piled up 358 yards, while the Bulldogs ran up only 37 yards.

The standouts of the game were Waite's speedy halfback, Buddy Peacock, and charging fullback, Stan Sterger.

Merlin Whitaker Irwin Rice, Kenneth Nash, Dale Morgan, John Smith, and Don Kinker.

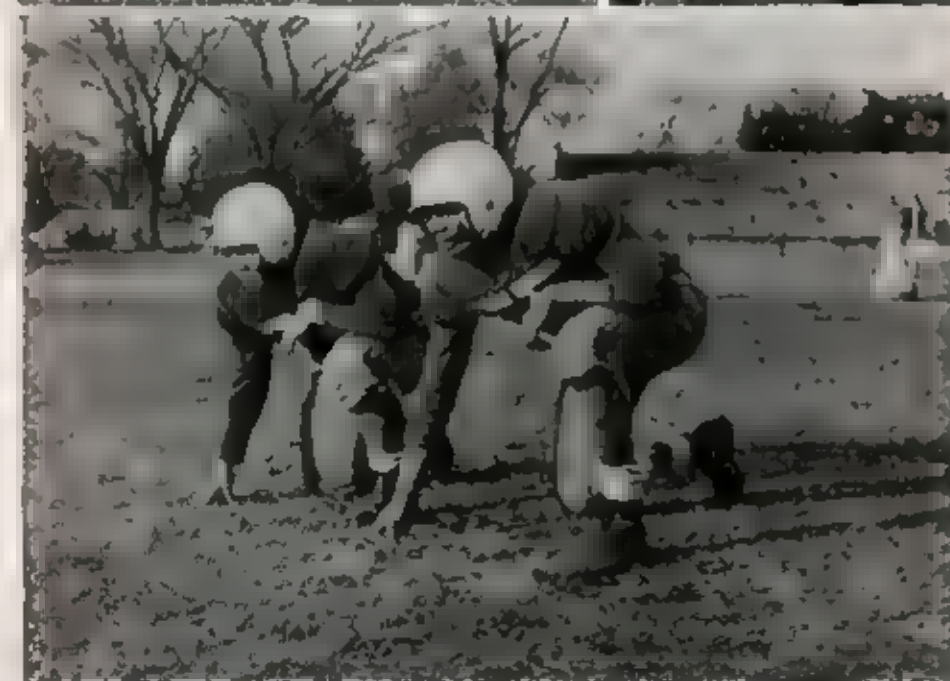

The silent members of the Scott football teams were the student managers. These were the faithful boys who took care of the equipment and assisted the players on the field at every game.

KNEELING, left to right: Don Mouch, Phil Joelson, Willie Moore, Larry Green, Bob Perez, Larry Moorehead, Don Huddleston, Coach Andy Kandik.

STANDING Mel Mitchell, Frank Claypoole, Irv Brenner, Arnold Zimmerman, Wesley Hall.

After losing 11 straight games, the Scott varsity uncorked a winning streak and netted four victories in five contests. They also had close games with the city co-champions, De-

Vilbiss and Central, losing to the former by five points and to the latter by only four. Despite this last minute spurt, the Bulldogs finished in last place with 5 games won and 13 lost.

Scott 26—Ann Arbor 42

Scott opened the season by dropping a ball game to Ann Arbor before 6,000 fans in the University of Michigan fieldhouse. After a close first half, the tall Michigan cagers were too much for the inexperienced Bulldogs. Mel Mitchell chalked up 13 for Scott.

Scott 34—Findlay 61 (forfeit)

A strong Findlay team easily whipped Scott as the Bulldogs could not penetrate the tight zone defense of the Trojans. Larry Moorehead scored 11 for Scott. The decision of this game was later reversed due to an ineligible Findlay player.

Scott 41—Central 70

The Central Irish used a fast break and zone defense to stop the Scotters. Moorehead's 10 was high for the Bulldogs.

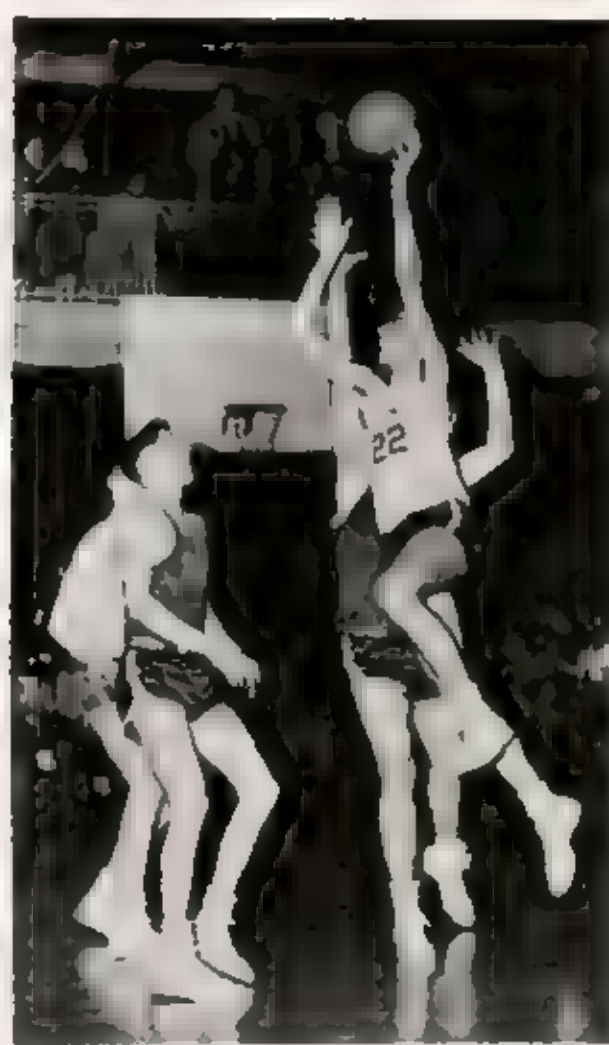

Scott 32—Macomber 40

The Collingwood cagers played strong Macomber a hard-fought game and matched them shot for shot until finally losing out in the final quarter. Mitchell fashioned 12 markers for the Bulldogs.

Scott 39—DeVilbiss 54

The Tigers of DeVilbiss combined fine passing and sure shooting to down the Scott cagers. Scott's scoring was led by Frank Claypoole's 10 points.

Scott-Libbey Game

Scott 47—Saginaw 61

A mighty Saginaw team scored a decisive victory over the Bulldogs with their well-balanced offense. Moorehead netted 16 for Scott.

Scott 29—Lima St. Rose 59

Lima forged ahead in the early minutes of the ball game to grab a lead they never lost. Coach Andy Kandik cleared the Scott bench in an effort to save the ball game, but to no avail.

Scott 30—Woodward 55

The Polar Bears, with their speed and shooting accuracy, found the going easy although Scott put on a fine show for most of the first half. Mitchell dropped in 12 points for Scott.

Scott 44—Waite 52

Waite handed the Bulldogs their eighth defeat in as many starts but had to hold off a Scott rally in the second half as the Scotters notched 29 markers. Irv Brenner, Arnie Zimmerman, and Mel Mitchell each tallied 10.

Scott 39—Libbey 42

The Bulldogs jumped to a 10-1 lead in the opening minutes, but couldn't hold on as Libbey's spurt in the second half turned the trick in the thriller. Irv Brenner led both teams with 16 markers.

Scott 47—Central 51

Scott fought fire with fire by pulling a few tricks of their own out of the bag. The Bulldogs used a zone defense and fast break, Central's specialty, to better advantage than did the Irish. With the score knotted at 43-43 going into the final quarter, the Irish finally edged the Bulldog cagers in a surprising contest. Moorehead and Claypoole both notched 13.

Scott 61—Whitmer 44

After dropping 10 contests, the Bulldogs, always improving, finally began their winning trend by easily downing the Panthers. Larry Moorehead and Irv Brenner uncorked 42 points between them, Moorehead hitting 22 and Brenner 20.

Scott 48—Macomber 45

Scott's chances of defeating the Craftsmen looked almost hopeless early in the second quarter, the Bulldogs trailing 13 to 2. But, fighting all the way, the Bulldogs overtook Macomber during the third frame and stayed ahead to upset their highly-rated opponents. Irv Brenner took high honors for the night with 19 points.

Scott 27—DeVilbiss 32

Although the Tigers were leading the city league race, Scott challenged them all the way. The Bulldogs blew 11 charity tosses which, if made, could have reversed the game's outcome. Brenner's 10 led the lost attack.

Scott 55—Port Clinton 50

Scott had an easy time downing the Port Clinton five as they got back in the winning column. Zimmerman racked up 13 points for the victors.

Scott 57—Woodward 53

Avenging a defeat by the Polar Bears earlier in the season, Scott upset Woodward by hitting an amazing 46% of their field goals and missed only 5 free throws. Moorehead tallied 17 points for the winners, followed by Brenner and Mitchell with 13 apiece.

Scott 46—Waite 57

The Waite Indians hit their hottest night of the season at the expense of Scott, although the Bulldogs were always in the game. Fourteen markers by Brenner was Scott's individual high.

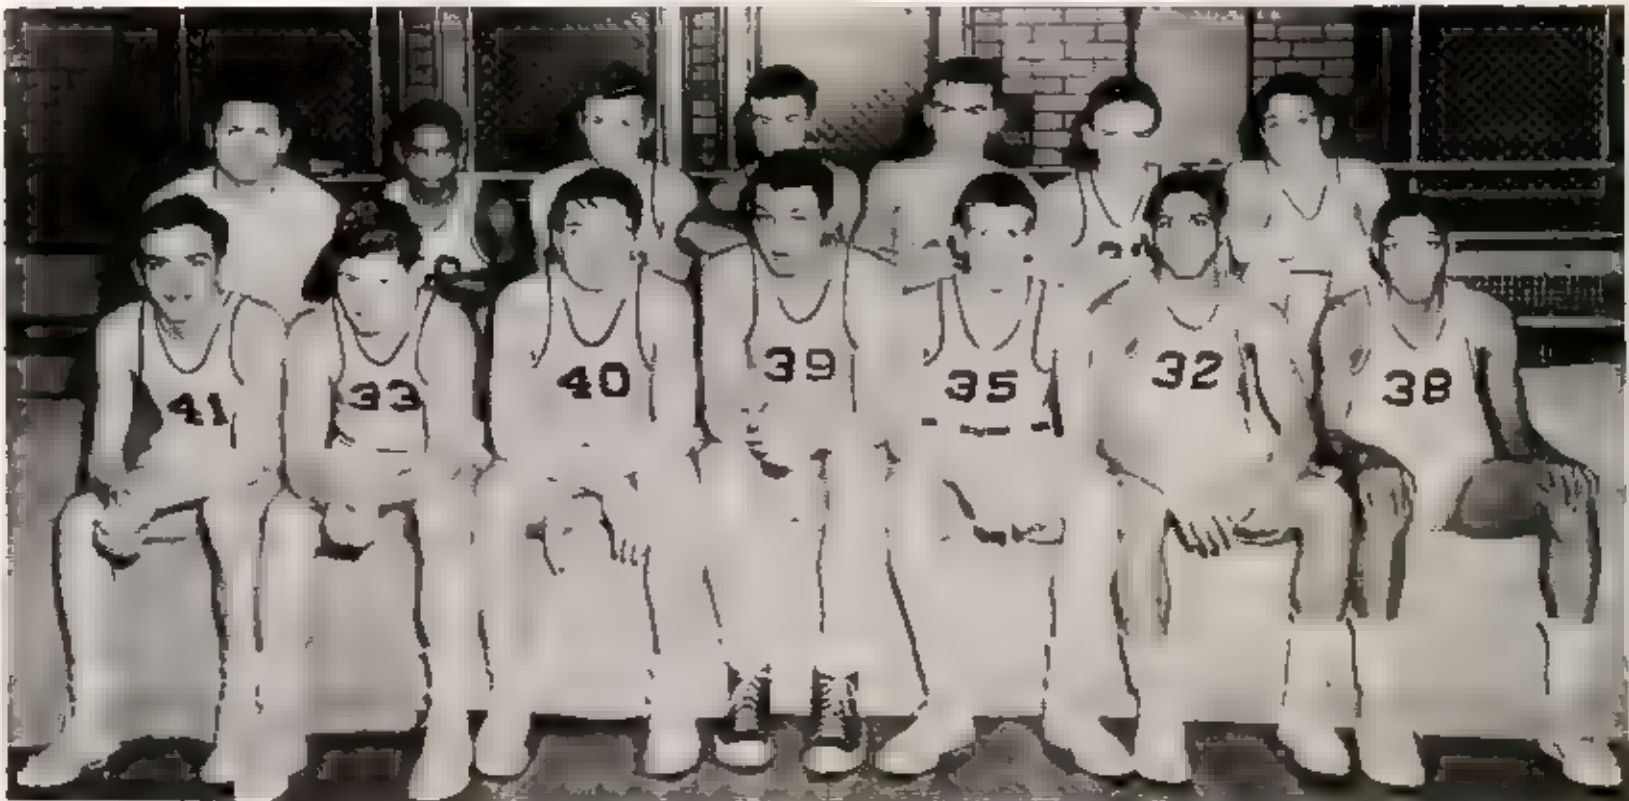

Scott 53—Libbey 60

Leading for three quarters, the Bulldogs were overtaken in the last frame by the Cowboys and couldn't catch up. Scott lost four starters on personal fouls early in the second half to weaken their strength. Claypoole netted 11 for Scott.

Scott 45—DeVilbiss 60

The Bulldogs bowed out to the DeVilbiss Tigers in the first round of the NWO district tournament at the Toledo University field house. It was never a really close game as the Tigers took a quick lead, and they kept it, up to the final whistle. Larry Moorehead, playing his last game for Scott, was high point man, meshing 17 points.

In his first year as coach of the lightweight basketball team, Mr. Brighton had a fairly successful season, for the squad won six of the team's sixteen games. The boys were a much more polished crew than they were the year before and, with a few additional boys to bolster the squad, turned in a creditable record. Most of these boys will see action next year on the 1953 varsity squad.

This has been a great year for freshman sports, as Coach Bob Lewis directed his team to an undisputed basketball crown. The quintet, built around Dick Sansbury, Curt Mathis, John Grant, Willie Standard, and Stanford Odesky, went through their first 7 games undefeated and had a record of 12 wins and 2 losses. The outstanding moment of the season came when Willie Standard sank two free throws in the final seconds of an overtime against Libbey in the last game of the year, to give the Bulldogs the frosh title.

Swimming Team

STANDING: Coach Meissner, Gerald Lemke, Jack Birchell, Jim Scheib, Sam Taylor.
SEATED: Bob Sewell, Stanley Michota, Jim Nathanson, John Powell, Harry Lichtcsien.

The Bulldog swimming team this year was the finest Scott has seen in the last several years. The team scored 40 points at the district meet, good for third place, and scored 6 points at the state meet, good for tenth.

At the district, the following boys qualified: Jack Birchell, second in the 50 yd. free style; John Powell, third in the 200 yd. free style; Bob Sewell, third in the 100 yd. backstroke; Jim Nathanson, second in the 150 yd. individual medley; Jerry Lemke, second in the 100 yd. free style; the 150 yd. medley relay composed of Bob Sewell, Harry Lichtcsien, and Stan Michota; and the 200 yd. relay team of Powell, Sam Taylor, Lemke, and Birchell.

Each boy swam in his respective event at the state meet. Results of the meet were as follows: Birchell won a medal and placed third which was good for four points; the Powell, Taylor, Lemke, Birchell relay tied for sixth, good for two points. The Sewell, Lichtcsien, Michota relay placed eighth; Powell finished ninth in the 200; Nathanson was twelfth in the individual medley, and Sewell was fourteenth in the backstroke.

The Bulldogs beat a total of thirty teams at the meet and each individual event had at least forty competitors. This was the first time a swimming team of Scott has placed in the first ten of the state since 1945 and the first time any athletic team at Scott has done so since 1946.

Track

STANDING: Wesley Hall, Jack Mattlin, Tommy Ryan, Dick Hayes, Duane Jackson, Jack Wickland, Dick Aunger, Mel Mitchell, Ed Woolf, Ben Wisbon, Roger Vogelsang, Kenneth Boost, Bruce Mueller, Jim Scheib, Larry Coon, William Meadows, Ron Perez, Bobby Perez. KNEELING: "Doc"

Meissner, Joe Hammond, Duane Hook, Clifford Wright, Harold Thomas, Sylvester Johns, Ken Nash, Walter Gabriel, Oscar Jones, Clinton Elliott, Walter Clark, Lawrence Green, Harold Coachman, Carl Thomas, Walter Lowler, Lonnie Watkins.

The 1951 Scott track team came in third place with a record of 2 wins and 2 defeats. Although Scott's opponents throughout the season provided very strong competition, Scott had a better than average season.

Their first meet, which took place on the home cindertrack, was against Libbey. The South Side Cowboys defeated the Bulldogs 75½-45½, with seven first places. Scott's stand-out star was Russ Kramer who collected 12 points, taking a first in the low and high hurdles and a second in the broad jump.

Scott's second match was against city champion, and always a dangerous foe, De-Vilbiss. Russ Kramer again was high for Scott with 6 points, followed by Larry Coon with 5 points. The Tigers took the meet 97-21.

Traveling to Waite, the Bulldogs came back in stride to romp over the Indians 74-44. Walter Gabriel was high point man for the day with 10 points.

Defeating Woodward by a lopsided score

of 88-30, the Scotters' last city meet went into the books. In this meet a 1951 individual Scott scoring record was made by senior Dick Aunger who took firsts in the shot put and discus throw and tied for first in the half mile.

In post-season competition Scott entered the DeVilbiss relays and took sixth place, but had the satisfaction of coming in ahead of Libbey, who had defeated them in their first city match. The Bulldogs then went to Oxford, Ohio, for the Miami relays. At this meet Scott was helpless against more highly talented schools.

Leaving the track roster will be Dick Aunger, Russ Kramer, Joe Hamond, Oscar Jones and Clinton Elliott.

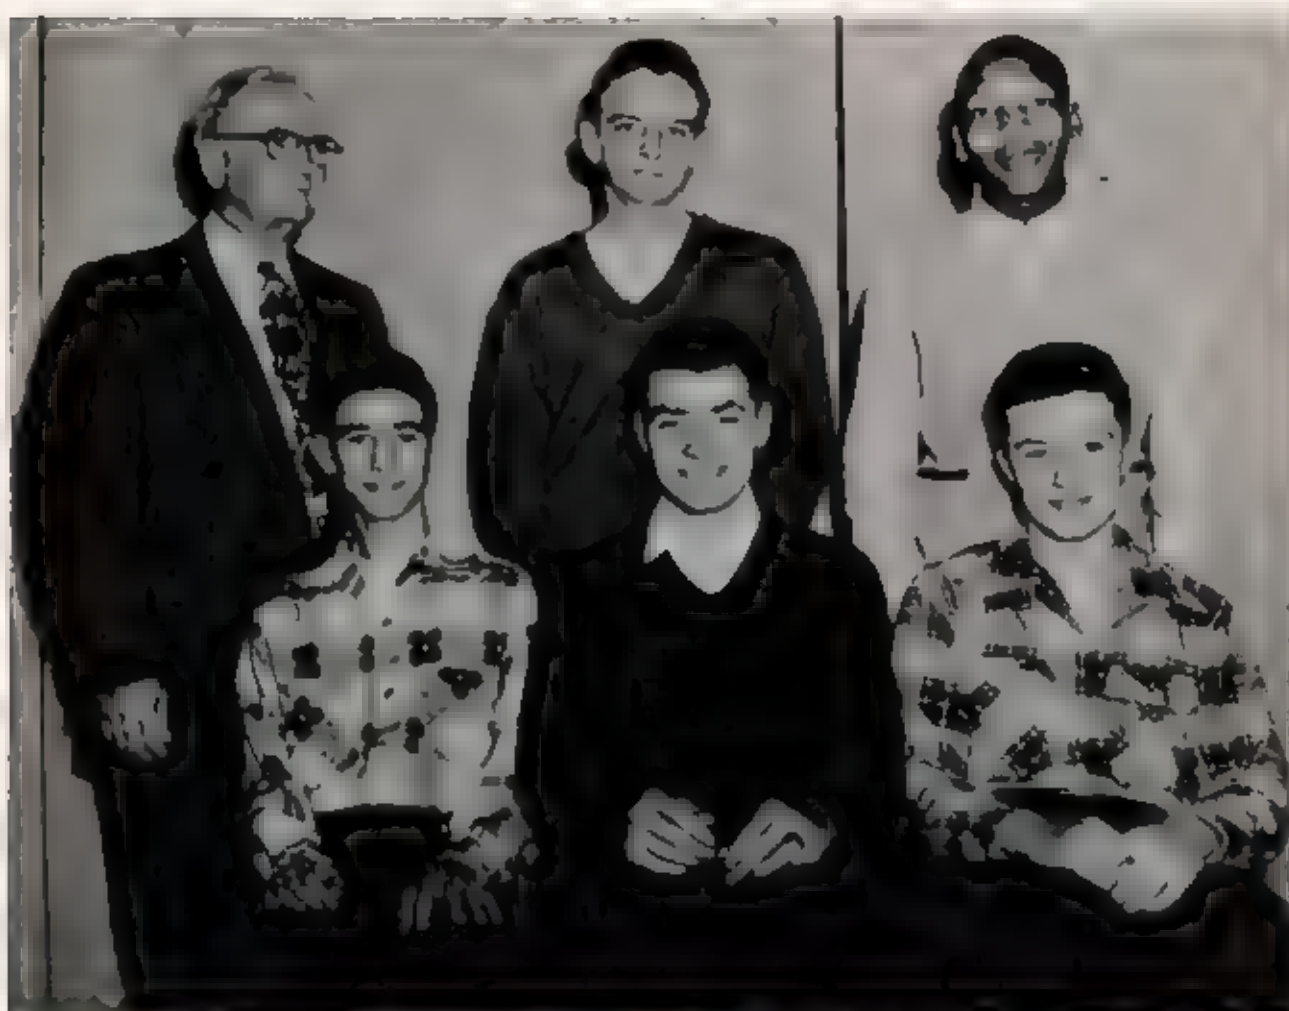

Closing the pages of a great book, "Doc" Meissner has concluded his coaching career after 31 years at Scott. "Doc" produced some fine squads and made many friends here in his capacity as coach and teacher. Although "Doc" has bowed out from the coaching staff, he will continue as an athletic instructor next year.

Bowling

STANDING: Faculty sponsor, Mr. Norman Holland, Kenny Dulinsky, Fred Griffin.

SEATED: Dick Herman, Arnold Zimmerman, Stan Odesky.

Once again Scott was represented in the city high school bowling league by two teams. Although the team in the National League didn't fare quite so well, the American League team stayed right up at the top in the race for first place.

Arnold Zimmerman captained the American team composed of himself, Dick Herman, Kenny Dulinski, Russ Guess, and Fred Griffin. Russ Guess had high three game total with 560, and Fred Griffin had high average with 163. If the team doesn't snag the city championship this year, they have a good chance of accomplishing that honor next year because they will all be back.

Baseball

STANDING. Bill Steinmeyer, Bill Bowles, Bill Steele, Ron Rasey, Frank Hudson, Ed Gibson, Hank Garn, Don Huddleston, Don McCleary, Larry Moorehead, Coach "Doc" Welever.

KNEELING. Norm Schindler, Jack Ostrander, Stanley Michota, Ronnie Velliquette, Donald Kisseberth, Carl Hutter, Willie Hightower, Bob Ehlers.

The Scott baseball nine, coached by "Doc" Welever, had a fairly successful season, finishing with a record of 6 wins and 5 losses. By beating Woodward 7-2 and Macomber 9-6, in the Northwestern Ohio District Tournament, the Bulldogs advanced to the regional against Findlay. They dropped their game to Findlay 5-2.

Scott's hitting stars were Don McCleary .424, Frank Hudson .410, and returning letterman Larry Moorehead .296. The "51" infield was based upon Don McCleary, Ron Rasey, Larry Moorehead, John Beeler, Don Huddleston, Norm Schindler and pitcher-infielder Hank Garn, who was captain of the team. The outfield was bolstered by Bill Steele, Ed Gibson, and Frank Hudson, who also saw some pitching activity.

The pitching staff consisted of Willie Hightower and Hank Garn. Their batterymate was Bob Ehlers, who had some help from sophomore Carl Hutter.

With six lettermen returning, 1952 prospects for a good team are excellent.

Golf

STANDING: Bruce Beebe, Bob Sewell, John Stonerypher, Mr. Glen Lake, coach.

KNEELING: Arnold Kurek, Wendell Dittworth, Robert McClain.

The 1951 golf squad, composed of seniors with two years experience, was able to capture only one win during the season. That was over their traditional rival, Waite. The Bulldogs ended the season in next to last place.

In the Northwestern Ohio district tournament, held at Heatherdowns course, Scott had a total of 386 to end in sixth place.

Racking up five victories against one defeat, the Bulldog netters again carried off second-place honors in the city high school league. They lost only to first-place DeVilbiss in a close match 3-2.

Veterans Roger Johnson, Bill Seiple, Donald Tom, Dave Millstein, and Herb Shodiss were aided by newcomers Phil Oberlin, Donald Lowe, and Jay Melot, who provided the needed depth for the team.

Captained by Roger Johnson, the team was victorious over Woodward, Waite, Libbey (by default), Macomber and Central. In out-of-town competition, Scott lost to Fremont 4-3 at Fremont and 5-1 on the Jermain courts.

Johnson, Seiple, and Tom were the singles players, while Oberlin teamed with Millstein, and Shodiss with Lowe to form winning doubles combinations.

AFTER GRADUATION ? ? ? ? ? ? ?

Suppose you are postponing further academic learning and are going to work. Have you chosen your field of endeavor? Are you considering the places where you will look for work? Have you considered L-O-F? What do those letters mean?

- L stands for Libbey** in the corporate name Libbey-Owens-Ford. But "L" in L-O-F also stands for Loyalty. The company recognizes this by annually paying honor to scores of people with more than 25 years of company service.
- O stands for Owens.** But "O" in L-O-F stands for Opportunity. There are many versions of opportunity in L-O-F. A former mailboy is a traffic executive, another is high on the ladder in the purchasing department. A former accountant has become an officer of the company.
- F stands for Ford.** In L-O-F, this letter also can stand for "Friends" because you have many friends when you work in L-O-F. It also can identify two of the company's products—flat glass and Fiber-Glass.

LIBBEY • OWENS • FORD

a Great Name in **GLASS**

It is given to only a few to use their life span to benefit all generations to come after them . . . Such was the gift of Thomas Alva Edison, pioneer in applying electricity to better the lot of mankind.

**We are proud
to bear his name**

● Only a holder of the original Edison license may use the name "Edison" as part of its corporate title. It is the mark of a pioneer. Toledo Edison, a business-managed, tax-paying electric company, is proud to be so honored . . . and we renew our pledge to serve our customers to the very best of our ability.

Fun Day

Near the end of the school year comes Fun Day with its casual clothes, poster contest, assembly, shortened classes, and the long-awaited **SCOTTONIAN**. All day long everybody obligingly s-i-g-n-s, and s-i-g-n-s, and s-i-g-n-s just as seniors Norman Hagedorn, Bill Steinmeyer, Stanley Michota, Frances Ploeger, Beverly Evans, and Annette Cossitt are pictured doing.

And, just as Fun Day brings our school year to an end, we likewise bring our year book to a close with this photo. We are ringing down the curtain on our 1952 production with the signing of autographs by some of our performers.
